

MOVILLE UNITED METHODIST CHURCH

FEBRUARY 2026 NEWSLETTER

Do you know what the church is all about? I believe the defining truth of the church's existence is the amazing Love of God. There is so much brokenness and injustice in our world. The need for love and compassion is real. What is it that drives you to church? It is about God's Love. The hymn writer puts it this way: "The church is not a building, the church is not a steeple, the church is not a resting place, the church is a people. I am the church! You are the church! We are the church together! All who follow Jesus, all around the world! Yes, we're the church together."

God's Love seeks us out and invites us to participate in His Love. God is literally for-giving, giving Love ahead of us before we even realize our need. We may have our doubts about this, but they don't determine God's action. And God's Love is sacrificial in nature by sending his only Son. God's love is unconditional. No matter who you are or your past or present condition.

Remember His Love is the deep and vast ocean of God's embrace, which is always otherwise, directed outward to the world. Love must incarnate. If not, it is not God's Love. Christ's Love is the litmus test for Christians. It's where the rubber meets the road.

God takes the initiative to love and reveal Love for us in Jesus Christ. And if you ever wondered what God's Love looks like, John helps us see it. "God's Love was revealed among us in this way: God sent his only Son into the world so that we might live through him. In this is Love, not that we loved but that he loved us and sent his Son to be the atoning sacrifice for our sins." (John 4:9-10). As we prepare our hearts for Lent and Easter, let us renew our commitment to loving God and give thanks for the victory we have in the Love of Jesus Christ.

God bless you, and I love you with the Love of Christ.

HOT BEEF DINNER FUNDRAISER

The Hot Beef Dinner Fundraiser was a resounding success! After everything was tallied, we received a total donation of **\$4,401.18**.

Thank you to every single person who donated or helped with the Hot Beef Dinner and Bake Sale. Your generosity and hard work made this event possible, and because of you, we reached our donation goal.

A special thank-you to our Beef Donors for giving so generously. And most of all, thank you to Nicole Jensen for partnering with MCDAI and pouring so much heart into this project. Because of your dedication, our church will continue to be a place that is used, cherished, and filled with love for years to come.

A Short Parable on Showing Up

A small church once had a lantern that hung in its entryway. It wasn't fancy, but every Sunday someone lit it before worship. One winter morning, the wind howled, the roads were slick, and only a handful of people made it to the service. As they gathered, they noticed the lantern glowing warmly in the cold.

After worship, a child asked the pastor, "Why do we light the lantern if some Sundays hardly anyone comes?"

The pastor smiled. "Because the light reminds us that the church is never kept alive by crowds, but by the people who show up. When even one person comes to pray, to sing, to serve, the light keeps shining—for them, and for everyone who needs it." And from that day on, the child understood: Showing up doesn't just fill a seat. It keeps the light of the church burning for the whole community.

2025 Q4 TREASURY TALK

Year in Review

Parsonage Update

On December 1, 2025, we officially closed the sale of the parsonage “as-is” for \$65,250. Net proceeds after expenses were \$60,979.87. The proceeds were invested in a 30-month CD at 3.5% interest. Any time after 15 months, we have three options with this CD:

1. Take a one-time rate increase to the current 30-month rate on the date of request.
2. Make a one-time withdrawal equal to $\frac{1}{2}$ of the principle without penalty.
3. Leave it untouched at 3.5% for the duration of its 30-month term.

2025 Finances “By the Numbers”

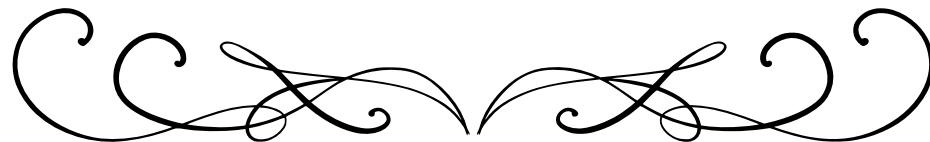

A few observations from the 2025 financial year:

- Our weekly giving for the year was \$87,922, compared to \$82,367 for 2024, a 6.7% increase.
- Our weekly giving for the year (\$87,922), was 96% of budgeted giving of \$91,450.
- Excluding a \$4800 pump motor required for the boiler at year’s end, income from all sources in 2025 (\$103,576) exceeded 2025 expenses (\$102,328).
- Designated donations given by individuals and forwarded by the church in 2025:
 - * Guatemalan Student - \$1483.22
 - * Parsonage Fire Fund for Tenant Sara - \$1263.36

PASTOR'S REPORT

Pastor sees lots of collaboration and support among the members of our church. December was a very busy month for everyone. Pastor is now planning for annual conference. He will be starting his "Abundant Life" scripture.

Pastor is hoping to have a choir from Uganda perform at our church later this fall.

OLD BUSINESS

DAYCARE UPDATE – Sunday we will hear an update on the roast beef dinner that was held last Sunday, January 4th. Comments from those who attended and from those who served feel it went very well.

The issue of installing a dishwasher in our church for the benefit of the childcare center is still up in the air. We will work to get that settled and also to resolve the division of utilities between the daycare and our church.

The music room, nursery, and decor rooms have been fairly well cleared out with many of the furnishings in those rooms being moved to a storage unit in town. Some cabinets are being kept for storage of Sunday School materials. February 1, 2026, has been set as the date for construction to begin and for all of the church's furniture to be moved out of the daycare wing.

COMMITTEE UPDATES – All committee chairs should get their committee membership changes to Cassie as soon as possible for inclusion in the 2026 Yearbook.

NEW BUSINESS

Finance committee will be doing an audit before March 1, 2026.

Ash Wednesday is February 18, 2026.

COMMITTEE REPORTS

FINANCE/MISSIONS – We are looking at finding another mission project after we complete the final payments to our Guatemalan student this year. The current balance in the Guatemalan student account is \$1196.00.

MEMBER SUPPORT/EDUCATION – The teachers will be moving their Sunday School rooms to other locations during the construction phase of the daycare project.

TRUSTEES – All insurance claims resulting from the parsonage fire have been filled. We have lost some fascia from the southwest corner of the church. Jody has contacted Mullin Siding and they have ordered replacement pieces and will install that once it arrives.

UWIF – Have had good attendance at our meetings. Held a potluck in December. We'd like to remind all women that they are welcome to attend. We share fellowship and support with each other.

Our next Administrative Council Meeting will be Thursday, February 12, 2026. All are invited to attend.

Heifer Highlights

Mosammat Laboni Khatun, a 30-year-old farmer from the Jashore district, has transformed her one-bigha (about one-third of an acre) plot into a thriving market garden through collective support from Heifer Bangladesh's Women Farmers Grow Vegetables, Flowers and Wealth project. Before joining the project, Laboni earned about 70,000 taka (about \$574) per season. Today, she earns roughly 110,000 taka (about \$902) and leases additional land using her increased income. As part of a women's cooperative, she also sells produce collectively, gaining better prices and market linkages, and teaches other women the same techniques.
